

NCEA

National Center on Elder Abuse

The National Center on Elder Abuse (NCEA) provides up-to-date information regarding policy, research, training, best practices, news and resources on elder abuse, neglect and exploitation for policy makers, professionals in the elder justice field and the public.

We stand **united**
against elder abuse.

JOIN THE MOVEMENT

NCEA Elder Bytes e-newsletter keeps everyone current with promising practices, trends, legislative initiatives, research and more.

NCEA Elder Abuse Listserv is an email forum where students and professionals exchange information and seek assistance.

NCEA Information & Referrals provide the public and professionals with resource information regarding individual cases, as well as assistance on planning, improving and developing programs related to elder mistreatment.

NCEA Training Materials guide personnel engaged in the prevention, identification and treatment for elder abuse, neglect and exploitation.

Educate Our Communities with Our Free Tools & Materials.

This postcard was created for the National Center on Elder Abuse situated at Keck School of Medicine at the University of Southern California and is supported in part by a grant [No. 90ABRC000101-02] from the Administration for Community Living, U.S. Department of Health and Human Services [DHHS]. Grantees carrying out projects under government sponsorship are encouraged to express freely their findings and conclusions. Therefore, points of view or opinions do not necessarily represent official ACL or DHHS policy.
