# An Introduction to Elder Abuse for Professionals

## Neglect

## INTRODUCTION

This document supports the NCEA slide deck *An Introduction to Elder Abuse for Professionals: Neglect*. The slides and the guidelines for using them are at [www.ncea.aoa.gov/Training/Curricula/index.aspx](http://www.ncea.aoa.gov/Training/Curricula/index.aspx).

## TEAM TEACHING

When presenting on neglect, consider working with trainers who have expertise in the dynamics of neglect, health care, and adult protective services.

## POSSIBLE VIDEO CLIPS

Video clips of older victims and survivors sharing their experiences can be a powerful way to engage the audience. If time permits, consider using a video clip in place of or in combination with the case examples at the beginning of the module. A description of the videos and ordering information can be found at: <http://ncall.us/sites/ncall.us/files/resources/2013%20EA%20Video%20List.pdf>.

### **Possible videos examples of neglect in later life include:**

- > Broken Trust ["Dot"]
